

# HAWKSMOOR

*We work extremely hard behind the scenes to make everything as safe for our staff and customers as possible, so that when you come and sit in our restaurant everything will feel as 'normal' as possible.*

*To protect our guests, employees, and community we require proof of full vaccination and we are committed to the following.*

## SAFETY MEASURES

All employees and guests must prove they are fully vaccinated. This can be in the form of the New York Excelsior Pass, your vaccination card or a photo of your vaccination card.

Hand sanitizer available to all guests upon entry and at various points throughout the bar, restaurant, and private dining rooms.

Regular disinfecting of surfaces and key hand contact points throughout the restaurant. All high-touch surfaces, such as door handles, door panels, table edges, etc. are wiped down with an approved cleaning formula at least once every 20-60 minutes, or after they've been touched.

Weekly testing and health monitoring for staff. Should any employee notify us of any symptoms such as fever, chills or sore throat, they will be denied access into the restaurant until a full recovery has been proven.
